Hello Mr. Higgins,

The correspondence sent yesterday 4/23/19 regarding PRR-19-00027 (attached) has been received by the City. It is my undersanding that previously you would correspond with Ms. Abbott who's no longer with the City regarding these matters. In an effort to gather records and information per PRR-19-00027, it's taking some time.

When council tells staff to look into something, that is informal direction from council to staff. It is not a formal action taken by council, therefore their would be no formal record of council's direction other than what is stated on the audio/video of the meeting itself. As a result, the City has no responsive records to this request.

Please let me know if I can help you with anything further.

Thank you,

Records Request

Please note this refers to my 3/28 records request not the 4/8 records request.

In the attached the city requested an extension to my PRR until April 18th. Did I miss the reply or is another extension required?

Right now, it's not creating any great hardship by not having the requested documents but I will need them at least 30 days in advance upcoming release of the Plaza Hotel FEIR for obvious reasons, and I would like to know when I should expect a reply now that the 4/18 date has passed.

If I also missed this reply or inadvertently deleted it I apologize profusely.

Thank you.

Anthony Higgins

Dear Mr. Higgins:

This email is in response to your Public Records Act ("PRA") Request received on March 28, 2019. Under the PRA, the City, on its own, may extend the 10-day response period for up to 14 additional days because of the need to search for and collect the requested records, search for, collect, and appropriately examine a voluminous amount of records, to consult with other agencies having a substantial interest in the request, or, in the case of electronic records, to extract and compile data. Therefore, due to the nature of the request, the City will need additional time to search for, collect, and appropriately examine a voluminous amount of records, and will respond to your PRA Request by April 18, 2019.

Please let us know if you have any questions or concerns. Thank you for your patience.

Thank you,

Tanesha Hudson

Thank you,

I don't know if it's important but the 2nd pdf below might need to be annotated with the correct dates per my earlier email.

That is the 3/26 and 3/12 meetings NOT 2/12 and 2/26.

Thanks

Obviously this refers to 3/12 and 3/26 meetings not 2/12 and 2/26.

Sorry

In the 2/12/2019 open session of the city council my written communications and related oral communications were discussed by the council related to actions the city may need to take in advance of the Plaza Hotel and North School Construction Projects, to ensure project specific truck routes are enforceable and able to protect resident safety, health, quality of life and property rights.

Additionally I believe that council asked staff and the police to investigate what can be done to identify truckers that are knowingly ***breaking the law*** by using 27th Street for thoroughfare (e.g. large delivery trucks serving Plaza area and Hermosa Ave businesses ***as well as*** identifying large construction trucks using 27th for thoroughfare to serve residential and commercial construction projects throughout the westside of Hermosa Beach; not north Hermosa as would be required by the cities direct route laws and no trucks signs east and westbound on 27th.

In several emails prior to my oral communications in the 2/26 council meeting i

pointed out that neither the city council meeting agenda nor the City Manager Report to the council tracked “deliverables” requested by the council related to public oral or written communications agenda items.

Accordingly, I make the following public records request:

1. Copies of all documents, meeting notes or e-communications that ***define*** or ***document*** this council request for information.
2. Copies of all documents, notes or e-communications issued to staff or the police department that instruct staff on ***how to fulfill this request***.
3. Copies of all notes, documents or e-communications from staff, the police department or city attorneys ***that respond to this request or ask for clarification or further instructions***.

Thank You
Anthony Higgins
